

# The Innovators Series

A Gathering of Entrepreneurs and Intrapreneurs

Tuesday, September 9, 2014

## The Next Big Thing in Healthcare is Here.

Learn how enhanced MRI Image Analysis is improving early treatment effects, how an artificial retina could restore sight when implanted and how the healthcare payment system is improving through a bundle payment business.

**Tuesday, September 9, 2014**  
**5:30pm - 7:30pm**

5:30 pm to 6:00 pm — Wine and Cheese

6:00 pm to 7:00 pm — Program and Q&A

7:00 pm to 7:30 pm — Networking

### Panelists:

**John Garber**, Vice President Operations, Image Analysis

**Todd Leri**, CEO Mid-Atlantic Region, Remedy Partners

**Nicole Wagner**, CEO, LambdaVision, Inc.
